Decker noted that the renewal application for House of Hatchets indicates Malt and Wine only wherein they were recently approved for all alcohol. Logan explained that we are still awaiting approval of the Alcoholic Beverages Control Commission for that amendment. Until that approval is received, they must continue to operate with malt and wine only.

Motion: Larry Decker moved, seconded by John Flores, to approve the consent agenda as printed. So voted, aye, unanimously.

LICENSING UPDATES

1. Licensing Authority & Division Updates:

a. Gimmy's Tavern

Logan advised that Gimmy's Tavern no longer has a legal right to occupy the premises.

b. Summary of permanent closures

Logan advised that The Karibbean Lounge, Little Miss Cupcape, Barbyann's, and Dragon Lite have permanently closed their doors. The Karibbean Lounge and Little Miss Cupcape hope to return in the future. Barbyann's and Dragon Lite owners retired.

2. Police Department Updates:

a. Unlicensed activities at 64 Enterprise Road, Hyannis

Kelsey advised the members that below the 1st floor commercial operations at 64 Enterprise Road, there are three large storage units at basement level. The landlord of said property discovered a party in the storage units and called the Barnstable Police Department. The unit lessee was holding the party in the unit and confirmed he was storing alcohol for a restaurant that he owns in the Town of Dennis. Kelsey notified the Town of Dennis accordingly and they will take over the investigation. The owner of the

building cancelled the lease with the lessee and has evicted him. Murphy confirmed with Kelsey that there was no evidence of a fee being charged.

b. Compliance Check update - Hyannis Sip & Shop

Kelsey advised that on December 6, 2024, he conducted a compliance check of the Sip & Shop event in addition to the required police detail. On this night they observed two people walking out of an establishment with alcoholic beverages. Kelsey witnessed 5 customers walking out of another establishment with alcohol. Kelsey notified the Hyannis BID that this occurred at Mrs. Mitchells. Nunheimer suggested that the BID should be ensuring compliance. Kelsey noted there have not been many issues associated with this event and that we can deal with each establishment individually with any compliance matters. Nunheimer advised that these matters can continue to be reviewed and approved on a consent agenda, but that staff should communicate with the Hyannis BID that they must ensure compliance at each establishment. Decker confirmed with Kelsey that the infractions were resolved on the spot.

c. Operating without a license – Spinnaker Records, 596 Main St, Hyannis

On December 6, 2024, Barnstable Police detectives responded to Spinnaker Records on Main Street, Hyannis, as part of investigation regarding stolen property. They spoke with the owner who was cooperative and unaware that he has purchased stolen property. Detectives were satisfied with the interactions with Spinnaker Records. Kelsey advised the business owner that his junk dealer license was expired and that he would need to reapply for a Junk Dealer license adding that he may not buy or sell used goods until they obtained a Junk Dealer license.

D. 237 Barnstable Road, Hyannis

In December 2023 Hyannis Fire conducted an inspection and alerted the Barnstable Police Department of alcohol storage on site. Kelsey noted that he was recently notified that a wedding took place at the party store. We believe there have been other parties at this location. Kelsey advised they cannot have parties there as they do not have approval to use the store as event space. Kelsey noted that the Building and Health Departments have been alerted to this matter.

ADJOURNMENT – At 10:39 a.m., Larry Decker moved to adjourn until the January 22, 2025, meeting, seconded by John Flores. So voted, aye, unanimously.

Minutes approved at the January 22, 2025, Licensing Authority meeting.
