

# Sensitive Habitat Comprehensive Plan 2007

The habitat map shown on this map represents a compilation of data developed from various sources and is intended to provide a general overview of the town's sensitive habitats. It is not intended to be used as a legal document or to determine the legal status of any property. The map is based on the most current data available at the time of publication. The map is subject to change without notice. The map is provided for informational purposes only.
