Earth® Premier 5-Year Adjustable Flapper

Description:

- * Fits 1.6, 3.5, 5 and 7-gallon toilets
- * Can save up to 2.5 gallons per flush when installed as per instructions in an old 5 to 7 GPF toilet!
- * Stops existing leaks; prevents new leaks for 5 years
- * Virgin PVC material
- * Stainless steel ball chain, clasp & hook
- * Installs by hand in seconds, no tools needed
- * Chlorine- and chloramines-resistant
- * Adjustable end cap for maximum flushing power
- * 5-year warranty
- * Made in North America

1.0 GPM Dual-Thread Faucet Aerator

Description:

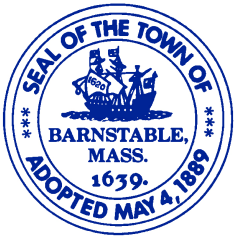

- * High-pressure 1.0 GPM flow rate
- * Flow control constructed of long-lasting Celcon plastic
- * Innovative dual-thread system to accommodate both male and female applications
- * Saves 55% more water and energy than a standard 2.2 GPM aerator – that's 13,140 gallons of water annually!
- * Housing constructed of solid brass with highly polished chrome finish
- * Includes housing, flow control, stainless steel screen, and all other parts necessary for proper installation and operation
- * Internally and externally threaded with 15/16 x 27 threads outside and 55/64 x 27 threads inside
- * Does not contain any unplated brass components
- * Provides an even, bubble-spray pattern
- * Meets or exceeds ASME standards
- * 10-year guarantee
- * Member of the WaterSmart family of products

Leak Detection Tablets

Description:

- * Tablets contain only FDA-certified, non-toxic, non-carcinogenic pigments – not harmful if swallowed
- * Easy to follow instructions, printed in both English and Spanish
- * Packaged in moisture-resistant packs
- * Two tablets per pack

**1.5 GPM Dual-Setting Kitchen Aerator
with Swivel**

Description:

- * With a quick tug, user gets spray setting great for fruits and vegetables
- * Water-saving and convenient
- * Meets or exceeds ASME standards
- * CSA- and California Energy Commission-certified
- * 2.2 GPM at 80 PSI
- * Extra-wide spray radius
- * Up-and-down action to change spray settings: stream to spray
- * Heavy-duty, thermoplastic body
- * Brass connector
- * Member of the WaterSmart family of products

Shower Coach™ Shower Timer

Description:

- * Patent-pending, requires no assembly or maintenance
- * Large suction cup for great holding power
- * High-impact ABS plastic white sand timer helps change shower habits from long to short showers
- * Simply rotate Shower Coach™ half a turn when you start your shower; stop when the last grains of sand fall
- * Total time is 5 minutes
- * Safe, durable, ultra break-resistant
- * A great tool for adults and children

**Earth® 2.0 GPM Wall-Mount
Showerhead**

Description:

Flow control technology: greater force at low pressure!

- * Conserves water and saves money while enhancing pressure, performance and appearance!
- * 9-jet turbo massage is adjustable: gentle needle spray to forceful jet
- * Consistent flow rate regardless of water pressure
- * Saves 20% more water and energy than a standard 2.5 GPM showerhead – that's 3,650 gallons of water annually!
- * Non-removable flow compensator
- * Non-aerating spray means less temperature loss with maximum energy savings
- * Self-cleaning and maintenance-free
- * Installs easily by hand and without tools
- * Corrosion-resistant, high-impact ABS thermoplastic body
- * Meets or exceeds ANSI specifications
- * 10-year guarantee
- * Member of the WaterSmart family of products
